Dear David:

On behalf of the Board of Directors and members of EO UAE, please accept our most sincere gratitude for addressing the EO members that attended your workshop on Relationship Economics.

It was a highly appreciated morning and I think several of the attendees wished that we could have gone on for much longer. Feedback from members was extremely positive and we will be sharing that feedback globally with EO so that other chapters can be aware of it.

I understand you also had a great session in Bahrain. Hopefully you will be coming back to this part of the world more often in the future and I very much look forward to meeting again.

Best wishes for your continued success!

Sincerely,
