Dear David:

Just a quick note to thank you again for your excellent presentation to our NAW Association Executives Council (AEC) last week at Loews Coronado Bay Resort in Coronado, CA.

Your presentation encompassed the best of both worlds--stimulating content and high entertainment value. It's a rare accomplishment to keep the audience smiling as it learns and you achieved that.

Best of all, your material is original and forward-thinking. Listening to you, our audience was collectively "skating to where the puck is going to be".

It is sometimes a challenge to locate speakers of sufficient quality to address our AEC group since its members form the collective leadership of our industry's trade associations. That's all the more reason why we were privileged to have you with us.

Best regards.
