Dear David,

Thank you for your exceptional presentations at the PMI Atlanta monthly meetings held in February and March of 2008. Your keynote presentations and full-day seminar on Relationship Economics was very informative, engaging and well received by our members. The information in your speech and the additional reference material you provided were both fascinating and of the highest quality.

We hope that you enjoyed meeting the members of PMI Atlanta and that you will consider returning in the future to continue the discussion.

Thank you again for your time and the contribution to the members of the PMI Atlanta chapter.

Sincerely,

Phyllis Ferguson, CDP PMP
